

Stoneham Municipal Employees Federal Credit Union

2022 Elsie P. Kinney Scholarship Awards

Stoneham M.E. Federal Credit Union awarded two local students with scholarships for their upcoming freshman year of college. The students were the recipients of the 2022 Elsie P. Kinney Memorial Annual Scholarship program. Each Spring, the Credit Union collects scholarship applications from high school seniors who are either members of Stoneham M.E. Federal Credit Union or children of members.

Stoneham M.E. Federal Credit Union's Board of Directors reviewed the applications and ultimately choose the students who demonstrated excellence in both academics and extracurricular activities. This year's recipients are Sandra Watne of Wilmington, who will study at West Virginia Wesleyan College, and Anna Mackey of Melrose, who will study at Colby College.

The students were each awarded \$500 and recognized at a reception on June 23, 2022, at the Stoneham Branch Office at 40 Pine Street in Stoneham, MA.
